

# You can choose the lab

## Do you have a doctor's prescription for lab work (blood and/or urine)? You have options!

Your doctor may use an order form that has a logo of a specific lab, but in most cases you can use a different lab and **save time and money!**

## Do you have Medicare, Florida Medicaid or private health insurance (PPO)?

### LabFlorida will accept any prescription/order form.

- There is no wait and you will love our bi-lingual customer service!
- We come to home bound patients and service all senior living facilities.

### Uninsured?

LabFlorida is your best option!  
We offers 40-60% discounts to self-pay patients.
