LabFlorida

**Your local
clinical laboratory**

SERVICES

- **Comprehensive test menu** - We may be a smaller independent lab, but we offer the same array of services as any of the national labs - only with a personalized approach.

Customized panels and profiles

- **Critical values** - reported immediately upon completion of testing.

- **STAT service**

Mobile phlebotomy and specimen collection

We come to your patients (ALFs, SNIFs, patients' residences).

- **Direct contact** - Physicians can consult with the technologist performing ordered tests.

- **Fast turn-around and reporting** - Multiple options to receive your reports: phone, fax, hard copy, online 24/7 web portal and EMR where you can obtain results in real time.

- **No cost to facility** - We bill Medicare (Part B), Medicaid and many private insurance plans.

- **Superior Customer Service**

- **Hablamos Español**

Helping doctors deliver quality and cost-effective patient care

My local clinical lab does all the testing I need and comes to my patients. Fast, reliable, responsive.

Working together to deliver the best care

We understand that financial challenges and positive patient outcomes are big concerns in today's rapidly changing healthcare landscape. We share these same concerns and are here to help.
